# November 10th, 2018 Meeting Minutes

**Meeting Called to Order** by Pres. Joe Waltz with 72 fans in attendance. Miles Demster manipulated the electrons. Veterans' Day (VD) commemorates the end of WW1, 100 years ago this year. The fastest fighters at the time were the Sopwith Dragon at 149MPH, and the Martinsyde Buzzard at 145MPH. In honor of VD tomorrow, our oldest veteran member James Heldt led the Pledge of Allegiance.

**Visitors:**--Tim Voight who owns a Weiser based RV-4.

--Bill Sweezer, a DeBaKey cardiologist and longtime pilot who encouraged youth to pursue aviation.

**New Members:**--Noel Plutto and her son Will joined as members.

--Tom Fiesel who admitted to having an aircraft in his garage at home. (Like a lot of us!)

--Alex Brousse, airline pilot looking for an RV project.

--Tim Piscitey considering an RV.

**Membership Report:** Humes reports 155 members. Special Deal: If you forgot to pay your 2018 dues earlier this year, you can pay 2018 dues now which will also count as having paid your 2019 dues!

**October Meeting Notes:** Approved as published, however the Secretary's press credentials have been revoked for reporting fake news. Waltz pulled the microphone away when the Secretary objected. Brent will file suit in the Ninth Circuit, which always rules against Waltz.

**Treasurer's Report:** Guice reports a beginning balance on 10/1/18 of \$4398, income \$356, expenses \$365, resulting in a balance of \$4389. However, Guice is moving to Mexico so let's keep an eye on the bank account.

**This Day in Aviation History:** The first launch of the Saturn V rocket 11/9/1967 which later enabled 12 of our American astronauts to walk on the moon. Also, Bob Humes proudly described his alma mater, the Northrup Institute of Technology, which he attended five decennials ago.

**Chapter Video:** The "Bally Bomber", a 1/3 scale B-17 built by Jack Bally after 40,000 hours of work in 18 years amazed our members. Also, the "Chino Planes of Fame" military aircraft museum was highlighted.

**Project Reports:** (*Email Miles Demster large file pictures of your project before each meeting.*)

--Darryl Foster (RV7) Installing wings to the fuse, fitting brake and fuel lines.

--Don Brewer (Pietenpol), Don's wooden aircraft craftsmanship on display. Don was advocating Stewart Systems covering systems. Don will teach technique if anyone is interested. No better craftsman.

--Joe Waltz (RV-10) Displays his white privilege after being covered in fiberglass dust. See the picture.

**Hints for Homebuilders Video:** Metal cutting tips.

**Young Eagles:** YE event October 8 flew 25 kids. Great job by our pilots and volunteers!

**Shop Tip:** Tom Kreiner discussed how to ream holes.

**Events Report:** Pache AWOL, but Demster talked about the EAA Sport Air workshops at Hobby airport scheduled for December, and EAA webinars online. Fly-out activities are advertised in the newsletter and in Pache's Events section of the EAA302.org website.

**Old Business:**--Allen Johnson Crime Update: The Montgomery County Crime Stoppers effort on behalf of Allen has established a reward of over \$11000. Board members proposed a \$1000 Chapter donation to add to the reward and hopefully encourage tipsters to come forward with useful information. Miles Demster motioned approval with Chuck McCluggage seconding. A voice vote approved unanimously. Also, individual contributions are requested. See announcement elsewhere in this newsletter.

**New Business:** Thanks to Don Guice, Brent Crabe, and David Hudson for their service to the Chapter. Darryl Foster is taking over for Hudson in the Website Chairman position. Bob Humes (Membership), Denny Irvine (Newsletter and Property), Mike Goebel (YE), and Keith Pache (Events and IMC/VMC Club) will continue in their current positions. Elections will determine the replacements for Guice and Crabe.

**Election Results!** Joe Waltz and Miles Demster were re-elected to their President and VP positions (Some members are discussing mandatory term limits). Bill Donahoe replaced Guice as Treasurer, Jim Morrical assumed the most important position of Secretary from Crabe. Update: After allegations that absentee ballots have been destroyed, a machine recount has been called for by Jim "Snipes" Archer.

**Announcements:** The Christmas Party will be held at the Black Walnut Restaurant 12/08. Please see announcement in newsletter for details.

**Adjourned** to fly to Lufkin or to drive to McKenzie's for lunch.

Thanks for reading the last few years. Brent

# EVENTS COMMITTEE UPDATE

**Keith Pache 713-412-7010**, pilotpache@aol.com

1) Young Eagle's Rally December 8<sup>th</sup>, General Chennault Aviation. Setup at 0730 and done by noon.

2) The Christmas Party December 8<sup>th</sup>, Black Walnut—see page 4.

If you haven't purchased your ticket yet, just click on this link <https://www.eaa302.org/apps/webstore/>. Be sure to join us at the Black Walnut restaurant on the 3rd floor of the Galaxy FBO for a great time with your fellow EAA friends and their guests. Tickets are only \$25 and we will be feasting on: Chicken Quesadilla appetizer, Caesar Salad, Pavia Shrimp Alfredo, Pot Roast, Garlic Bread, Fountain Beverages, and Iced Tea. Drinks will also be available.

3) 6:15-8:00pm Wed. December 12<sup>th</sup> IMC/VMC Club Meeting will be a tour of the Houston TRACON facility for the 20 people registered (and confirmed) for the event.

4) Events Calendar: Here's a partial list of upcoming events. You'll find many more (with working hyperlinks) by clicking on our website Flying Events tab (typically updated Thursdays): <http://www.eaa302.org/>

# SATURDAY, DECEMBER 8TH

(Morning of the Christmas Party)

## YOUNG EAGLE RALLY

Chapter 302 will have it's final 2018 Young Eagles Rally on Saturday, December 8 at the Chennault Flying Tigers Flight Academy at KCXO. We need ground volunteers ! Plan to arrive at 0730 to set up chairs. Pilots need to arrive around 0800. We should finish by Noon. Chapter 302 contact is Mike Goebel at [mikeygoebel@hotmail.com](mailto:mikeygoebel@hotmail.com) .

## CHRISTMAS PARTY

SAVE THE DATE

### DECEMBER 8TH, 2018

BLACK WALNUT  
6:00 TO 9:00 PM

Please use the [EAA302.org](http://EAA302.org) website—Web Store and click on the Christmas Party button to attend. Cost will be \$25 per person. We will do an optional White Elephant gift exchange (\$15-20 range) with emphasis on the most unusual or aviation themed keepsake. Please consider bringing a new, unwrapped toy for Toys for Tots.

# LAST OPPORTUNITY TO DONATE TO THE ALLEN JOHNSON FUND

Allen Johnson

In an effort to help catch the criminals who murdered our Charter Member Allen Johnson, Chapter 302 has already sent a \$1000 cashier's check to Conroe Crimestoppers. In addition, we have been collecting personal donations for another addition to the fund. We are presently approaching a second \$1000 amount. The first check will be returned to the Chapter if it is not used. The personal donations will also be returned, but due to so many smaller amounts involved, they will be directed toward our scholarship efforts. Remember, these donations are deductible under our 501c-3 status.

## EAA 302 50TH ANNIVERSARY PLAQUE

The next time you attend a regular monthly meeting, check out our plaque hanging on the wall at the entrance of the meeting room. It commemorates the 50<sup>th</sup> year Anniversary of the Chapter's beginning charter. The manager of the Galaxy facility wanted everyone to see that 302 meets there, and has been around for a long time.

# EAA 302 TOOL CRIB

They say you don't need to buy a tool—all you have to do is know who has one. But if you don't remember, its going to COST you. Take the example of a 302 pilot who lands and has a flat tire. If you don't remember we have a "rescue dolly", you'll have to call a FBO and get towed off the runway. \$200 later, someone will remind you we have a dolly in the 302 tool crib. Its in Jim Smith's hangar with inserts for 6", 8" and 12" (Stearman) tires. Call Denny, Brent, or even Jim. Then remind yourself what else is there.

6 Burner BBQ

50+ Chairs with dolly

Box Brake

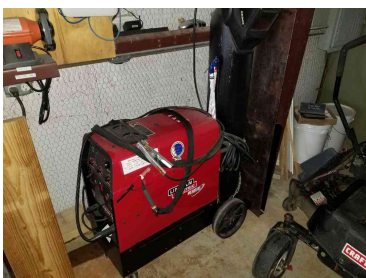

Mig Welder

Jig Bore (Mill)  
With tools

12 Tables & dolly

TIG Welder

Plug Cleaner/Tester & tools

Metal Shrinker

Aircraft Scales

# EAA TOOL CRIB CONTINUED

Electrical conduits moved, sheetrock removed, floor joists located

Platform built, suspended, door cut in. Studs located, put in nailer for stringer.

Many of the club's smaller items were in the "Attic" above Larry's office. Access was difficult at best. When Jim Smith purchased the hangar, he decided to improve access to storage. With the help of Denny Irvine, Jimmy Crawford and Chuck LeKron, they constructed a stairway, platform and a door to reach the attic. Drop in and see it!

Now you can find all the Pancake Breakfast serving items, Young Eagles signs, chocks, safety vests, banners—you name it. Don't forget the newly acquired dispenser for ashes dispersal.

Completed project with treads, antiskid, door trim, Bannister welded and painted.

## CLASSIFIED ADS

Ads are free to any EAA member. They will run for 6 months, or until you pull them out of classified. Text or Email to [dirvine1945@gmail.com](mailto:dirvine1945@gmail.com)

We now meet in Galaxy FBO's building on the South Side of the Conroe-North Houston Airport. Use the South Entrance, 1<sup>st</sup> floor. Meetings start at 10:00 AM.

You cannot access the FBO by the old Airport Parkway. You need to use Loop 336 and turn at Hawthorne Drive. This road has an Airport Entrance sign which mentions Galaxy FBO and the Black Walnut Restaurant. This is just southeast of the Roller Skating Rink.

See you there.
