JUNE 12TH, 2021 MEETING MINUTES

Meeting Canceled—Held Young Eagle Event Instead

NATIONAL YOUNG EAGLE DAY

Mike Goebel leads the briefing

June 12—construction canceled our meeting at Galaxy AND it was National Young Eagle Day. Obvious Choice—Hold our first Rally in over a year. Mike Goebel rustled up 25 kids and recruited 7 aircraft. With some being 4 seaters, everyone flew 3 sorties starting at 9AM (cooler) and finished by 1130. The event was held at the Airport Office. Special thanks to pilots Wyn Croston, Jimmy Crawford, Joe Waltz, Steve Havemann, Darryl Foster, Alan Archer and Steve Lutte, plus all our ground volunteers. **Special Bonus!!** Since it was National YE Day, we got **DOUBLE** credit for each Young Eagle.

INTERNATIONAL YE DAY (continued)

At this time, we have 15 youngsters on hot stand-by to fly with Chapter 302 at our next rally, targeted for early Fall. Let's all get volunteer qualified and fly even more youngsters in the Fall! Ask Mike Goebel for volunteer qualification details.

Please join us Thursday night July 8th to review the arrival into Oshkosh 2021. Bring your past experience(s) flying into and out of AirVenture.

Even if you are not attending this year, come and have fun in review of the Routings' challenges.

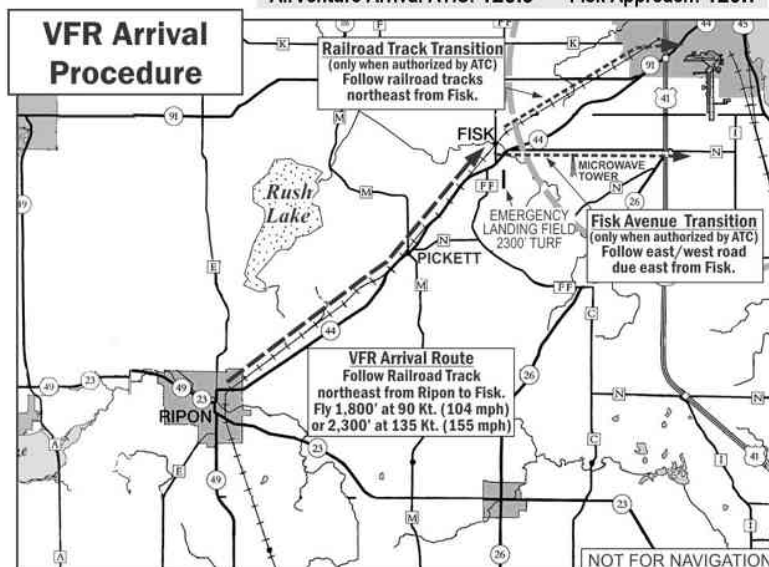

We'll weave in the importance of the stabilized approach and how the go around is a "no shame" smart decision sometimes.

As always bring your stories and experience to share with your fellow aviators.

See you Thursday,
Tommy

SATURDAY FLYOUT THE CHICKEN RUN

Yeah, it'll be hot, but we're tough
Let's go to Tyler County/Woodville
Saturday, July 10th, 2021

We've done this one before. The Pickett House serves "Family Style" and it's all you can eat! Lunch includes drink, appetizers, fried chicken, mashed potatoes, chicken & dumplings, green beans, biscuits, cornbread muffins, greens, and peach cobbler dessert. Cost \$10.99/9.99 for seniors. For an additional \$4 donation, you can tour Heritage Village and visit the gift shop/museum.

Plan on leaving to reach O9R between 1200-1230. I will have transportation arranged—or you can walk the 10 blocks. Suggest you bring tiedown rope, or at least chocks. For questions, contact Keith Pache pilotpache@aol.com or mobile 713-412-7010. We will get a show of hands at the meeting and make reservations.

SELF-SERVE SITE PROGRESS

Construction on the self-serve site in front of Chennault Air Academy is approaching completion. Editor previously reported the tanks will be underground—incorrect. They will be above ground.

Hangar for Rent—Space to share with a high wing Piper Colt. Prefer either a low wing or somebody with a project. Located near the tower. \$162.50/month! Call Ray Coker—713-825-1054. If there's no answer, please leave a message and I'll get back to you. 4/21

For Sale—Cygnet Light Sport SF-2A, ADS-B out equipped. She flies, but there is a spark landing on the airframe ground somewhere I haven't located yet. The interference is heavy enough to make radio transmissions unreadable, currently. Selling for \$8k until I locate the grounding issue. Price will reflect a fully functional aircraft equipped to fly in controlled airspace once located and repaired. Take advantage of my complete frustration and get one of the best deals around on a flying airplane. This aircraft is great for gentle sunset flights, cheap hours, and/or a builder/tinkerer to put some TLC into and bring her back to her full potential. Grant Tribble 936-718-7073 12/20

We now meet in Galaxy FBO's building on the South Side of the Conroe-North Houston Airport. Use the South Entrance, 1st floor. Meetings start at 10:00 AM.

You cannot access the FBO by the old Airport Parkway. You need to use Loop 336 and turn at Hawthorne Drive. This road has an Airport Entrance sign which mentions Galaxy FBO and the Black Walnut Restaurant. This is just southeast of the Roller Skating Rink.

See you there.
