OCT. 9 HILLTOP FLYOUT

We struck it rich on the weather for this one. Look at those blue skies! Hilltop Estates went all out for fly-in guests. PICs were treated to free food, there were door prizes and raffles, plus a few classic cars. Probably 40 planes from dozens of surrounding airports. EAA 302 had 5 of those along with 7 members.

CHRISTMAS PARTY

SAVE THE DATE
DECEMBER 11TH, 2021
BLACK WALNUT
6:00 TO 9:00 PM

Please use the EAA302.org website—Web Store and click on the Christmas Party button to attend. Cost will be \$35 per person. We considered doing karaoke, but decided on Bingo instead. This year we would like to invite our members to bring the prizes. (Optional) Nothing expensive, just something our winners will "cherish". Please consider bringing a new, unwrapped toy for Toys for Tots.

November 13, 2021 Lufkin Fly-Out

Angelina County Airport Cafe

Let's go to Lufkin for lunch. Its a nicely kept airport with a cafe right next to the fuel pumps. Not the cheapest fuel in the area, but they do offer discounts on the weekends. The ladies in the restaurant offer good, reasonably priced food. They make a great burger, but their pies and cobbler (if its not gone) are excellent. And don't forget—they're also open for breakfast. See you there! If you don't have your own ride, see if you can snag one at the meeting.

EAA AIR ACADEMY NOMINATIONS

EAA 302 has reserved a slot in the EAA Air Academy Session 2—July 12 thru July 17. This is for a boy or girl aged 14 to 15 years old. (Airventure 2022 is July 25-31) We need nominations from you to fill this slot.

Each camp has a maximum of 56 participants per session. The Air Academy staff usually has about 16 instructors, counselors and pilots. Campers stay in the EAA Air Academy Lodge. All transportation in and around EAA and the Air Academy campus is provided by EAA vehicles. The Air Academy takes great pride in providing an outstanding food service. The Lodge has a commercial kitchen and Certified Food Service Staff and Cooks who prepare home-style meals during your stay. You eat family-style in the dining area of the Great Room in the Lodge.

Activities at the EAA Basic Air Academy are designed to interest and challenge students and include such activities as:

Aeromodeling - Build and fly a simple balsa glider and a rubber-powered model.

Airplanes - Learn about aviation history and flight.

Ground School - Learn the basics of flight through an interactive computer simulator ground school by flying designed missions or flying your own mission.

Tech Workshop - Build an ACRO-Sport Wing Rib, construct an instrument case out of sheet metal, and design an airfoil using composite material.

--Visit Pioneer Airport

We now meet in Galaxy FBO's building on the South Side of the Conroe-North Houston Airport. Use the South Entrance, 1st floor. Meetings start at 10:00 AM.

You cannot access the FBO by the old Airport Parkway. You need to use Loop 336 and turn at Hawthorne Drive. This road has an Airport Entrance sign which mentions Galaxy FBO and the Black Walnut Restaurant. This is just southeast of the Roller Skating Rink.

See you there.
