# DECEMBER 11TH MEETING MINUTES

The 11<sup>th</sup> was the Christmas Party. There are no minutes.

## FROM THE WEBMASTER Darryl Foster

With the recent move of the EAA website to a newer platform, new capabilities are continually being rolled out. Our board members have been collaborating in an effort to update our capabilities. Here's a few of the recently completed updates:

### Newsletter

In December, our Membership and Communications Director- Rick Oliver, Newsletter Coordinator- Denny Irvine and our Webmaster-Darryl Foster, moved all of our mailing list to the cloud. This new capability allows aviation enthusiast from anywhere in the world to be a part of our chapter and stay up to date on the current EAA 302 events. This allows for automation of task, signing up and unsubscribing, along with metrics information on viewing the newsletter. See the December newsletter for more details. December Newsletter can be found [here](#):

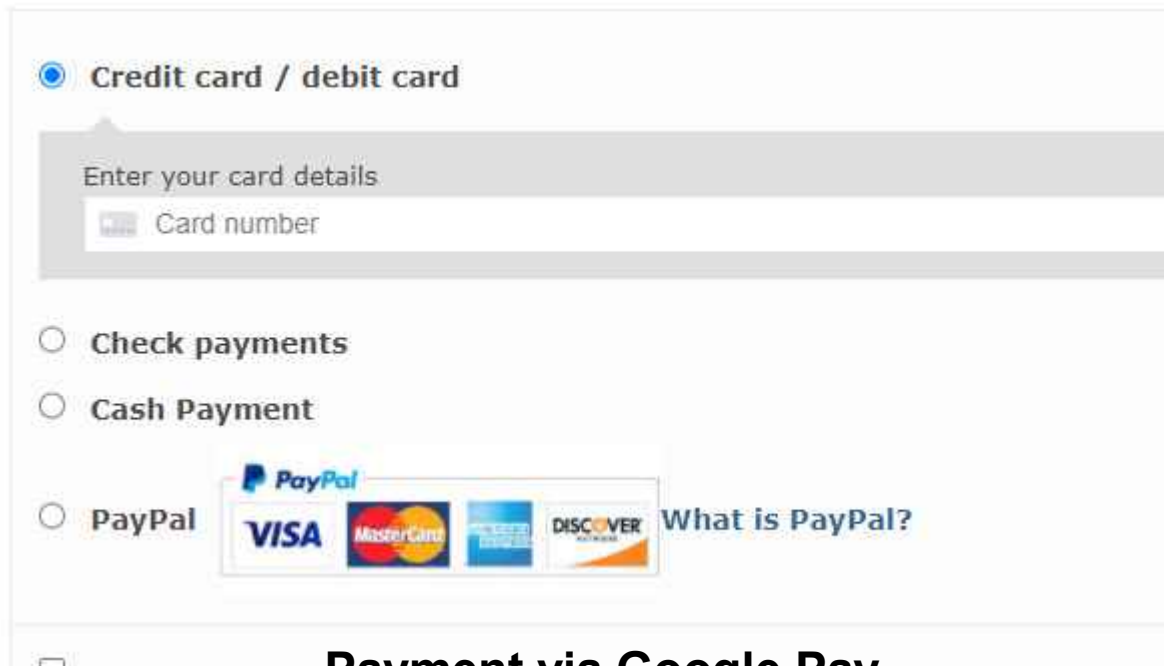

### New Payment Forms

The Chapter 302 Treasure- Bill Donahoe, and Webmaster- Darryl Foster launched several new forms of payments. While PayPal was the primary Credit Card Processor, Chapter 302 can now process payments via "Google Pay, "Apple Pay" and direct Credit Card submissions. You can also bring a Check or Cash to any of the Monthly Meeting to pay via that form as well.

## Account Billing and Order History

Perhaps the most exciting new addition is the visibility that the members of EAA 302 can now see with their membership. A new link has been published called “My Account”. This link can be accessed by navigating to the Chapter Website at <https://eaa302.org>.

Hover your mouse on “Our Chapter->Members Only->My Account”

You can also access the link directly by clicking [here](#):

Once the “my account” page comes up, you’ll notice a new listing of items on the left-hand side. They are described in detail on the following pages.

## Dashboard

The dashboard page shows an overview of your information on file with EAA 302. Several links are available on this page to allow you to edit the information. The only information that is visible to other EAA 302 members is the “Bio” that is filled out by you under the “my profile” tab.

We now meet in Galaxy FBO's building on the South Side of the Conroe-North Houston Airport. Use the South Entrance, 1<sup>st</sup> floor. Meetings start at 10:00 AM.

You cannot access the FBO by the old Airport Parkway. You need to use Loop 336 and turn at Hawthorne Drive. This road has an Airport Entrance sign which mentions Galaxy FBO and the Black Walnut Restaurant. This is just southeast of the Roller Skating Rink.

See you there.
