OCT 14th, 2023 MEETING MINUTES

There are no minutes, as the 14th was switched to a short briefing and then a flight to Mustang Beach Airport and join a NASA group observing the Annular Eclipse. A last minute call indicated that Port Aransas was overcast. The group then split up, with half going to San Antonio's Stinson Field and the other half going to Fredericksburg.

As you can see, the Stinson group had some broken clouds but still saw the eclipse

The Fredericksburg group were the clear winners—with clear skies and good views

**From Tommy
Fankhauser
IMC Director**

**EAA Chapter 302
IMC/VMC Club Meeting
7:00pm Thursday 11/11/23
(Galaxy FBO Conference Room)**

November meeting time! Here's a couple of questions to think on for Thursday:

After departing from runway 36 and leveling off at pattern altitude, you start a turn to left crosswind. As you begin the turn, you notice that the magnetic compass starts to turn in the opposite direction. Can you explain what is likely causing the magnetic compass to act like this?

What is the standard format for the sequence of information provided in an IFR clearance?

** Source: FAA Instrument Flying Handbook FAA-H-8083-15B

Main Topics:

Review recent incidents involving weight and balance and distractions.

We'll also finish of the review of Mike Busch's 12-minute video on how to lap a valve without removing the cylinder. Followed by a brief discussion.

Anyway, some topics to discuss to better understand what we do. As usual, open discussion, updates, and "hangar talk" is encouraged. We've been having some great discussions lately and I encourage anyone who hasn't been to a meeting to come and see what's going on. Hope to see you there!!

Tommy Fankhauser (435-322-0528)
Mike Barnett (281-543-1226)
Adam Hailey (346-246-4246)

CHRISTMAS PARTY

SAVE THE DATE

DECEMBER 9TH, 2023

PIZZA SHACK—MONTGOMERY

19132 Stewart Creek Road

6:00 TO 9:00 PM

Please use the EAA302.org website—Web Store and click on the Christmas Party button to attend. Cost will be \$30 per person. We considered doing karaoke, but decided on Bingo instead. This year we would like to invite our members to bring the prizes. (Optional) Nothing expensive, just something our winners will "cherish". Please consider bringing a new, unwrapped toy for Toys for Tots.

AND NOW A NOTE FROM YOUR FRIENDLY WEBMASTER

The system will start sending e-mails at the beginning of December for member dues for 2024. The e-mail will have a link that enables you to click and go directly to the member payment page. We're striving to move to 100% cashless system. This removes several manual processes and eases the burden of record keeping.

We now meet in Galaxy FBO's building on the South Side of the Conroe-North Houston Airport. Use the South Entrance, 1st floor. Meetings start at 10:00 AM.

You cannot access the FBO by the old Airport Parkway. You need to use Loop 336 and turn at Hawthorne Drive. This road has an Airport Entrance sign which mentions Galaxy FBO and the Black Walnut Restaurant. This is just southeast of the Roller Skating Rink.

See you there.
