## Young Eagles Soar

Chapter 302 met Friday, April 25<sup>th</sup>, and took 26 Young Eagles and 8 Eagles for their first flights at CXO. This was Chuck LeKron's 1<sup>st</sup> event as YE Leader, and he hit the jackpot on the weather. We had 8 aircraft, and with that much help, we were done before noon. The ground staff insured everyone was kept busy. Registration was well organized by Bob Humes and Don Guice, and each YE received a professional printed certificate. Culver's Restaurant participated by providing hot dogs, chips and drinks.

## Cassutts to Spain

Jay Jones is probably assembling as you read this. 3 aircraft arrived by trailer at CXO. With member's help, they were all loaded onto a steel cargo container headed to Spain.

Couldn't close the trailer door on one wing

Parts & planes EVERYWHERE!

Quadnickel in the air

Second wing to load

3 aircraft easily fit with room for everything else

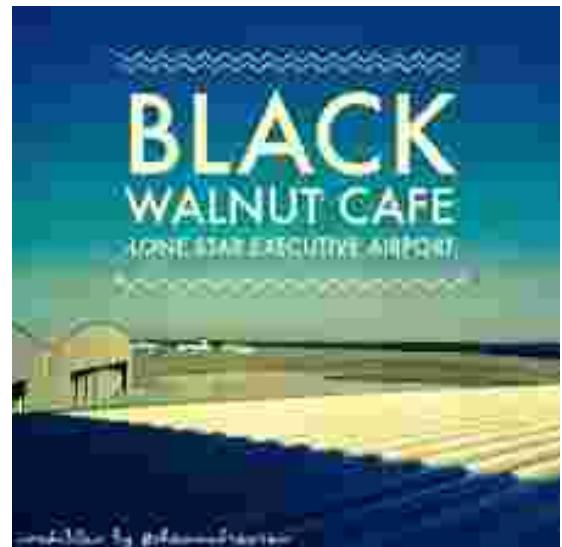

# Llano STOL-X April 12th

302 member Joe Waltz attended the fly-in at Llano and competed in STOL and flour bombing. Who sez an RV can't compete? Joe placed 3<sup>rd</sup> with a **total** takeoff and landing distance of 634 feet. He came in 4<sup>th</sup> in bombing with a hit at 66' from the target at an altitude of 300AGL. Now you ask—how do you flour bomb in an RV?? Do you see any canopy??

## Save the Date!

Date Night will be June 14<sup>th</sup> at the Black Walnut from 6 to 9 PM. Bring your significant other for an evening of food, friends and fun. The meal will be a buffet choice of 2 entrees, salad and soft drink. There will be a cash bar all evening, starting with a social hour 6-7, dinner 7-8, and a program especially focused on the ladies. Cost will be \$20 per person, bar drinks extra. We will make a \$2/pp donation to our speaker which will benefit the Willow Run Bomber Plant Project. We will take reservations at the meeting or by email.

### Our Program:

302's own Vickie Croston will present a program on "Rosie the Riveter" during World War II and bring us up to date on the efforts to save part of the Ford Motor Company Bomber Plant for a museum. Your attendance will help us make a significant donation to her cause.

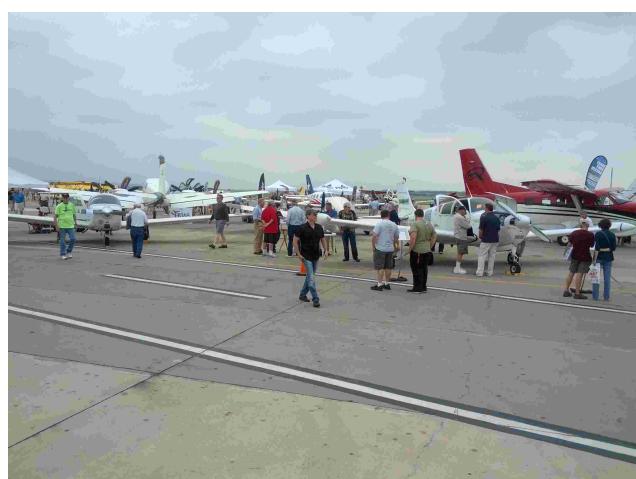

Enjoy the airport views and watch the sunset with your fellow EAA-ers

## APRIL 26<sup>th</sup> SAN MARCOS AOPA SUMMIT

Several 302 members attended the AOPA summit at KHYI. Low overcast cut the attendance, but the vendors tents, meal facilities and seminars were all well attended. Left is Joe Waltz at registration. Below left is Jim Crawford at the dining hall. Pancake breakfast was \$5, and the barbecue lunch was free to all AOPA members. Below you can see some of the 300 aircraft there, which was about half of what they had hoped for.
