May, 2013

May's meeting program will be a presentation by Member Joe Waltz. It will be another adventure (set to appropriate music) of several of your chapter-mates on an odyssey out to Big Bend, the Grand Canyon, and Monument Valley. Judging from past programs, this one is sure to contain gorgeous scenery, exotic destinations, and unusual flying opportunities. Don't miss this one!!

Details for our June 8th "Date Night" can be found on page 3. Attend the May monthly meeting and RSVP. Also, raffle tickets for the 787 Simulator will be available. We need help selling these tickets. Thanks.

New Business

This coming June we will have our annual date night. At the present it appears we will have it in Greg Smith's hangar. We will invite other EAA chapters in the vicinity. We plan on posting the notice around area airports. We will require reservations since the dinner will be catered. Program will be on the Boeing 787 program at United with chances sold on two hours in the simulator.

We are taking orders for chapter 302 T-shirts, hats and Polos. We will be stocking common sizes of T's in the future. We will not be stocking Polos due to cost.
