

EAA Chapter 302

Next Monthly Meeting Saturday, November 12th 10am Hangar 41, KCXO

November's program will be a first look at the 2014 Sweepstakes grand prize Fairchild remanufactured aircraft. There is a short segment on the "Wall of Fire" you saw last month, and its creators. And finally, we'll do a Volunteer Spotlight on camper registration for Oshkosh Airventure

If we have time, we'll intro another tool in our 302 inventory—a plug cleaner/tester/gapper/magnifier.

On October 19th Challenge Air hosted a well-organized Fly Day chaired by EAA 302 member Vickie Croston with 9 other EAA 302 volunteers attending. Ninety-two children with special needs were given a once-in-a-lifetime opportunity to fly that beautiful day. Please see pictures inside on pages 4 and 5.

- **Safety Minute:** Steve Iacoviello related a 'Tires above the Canopy' event at Air Venture this summer. As Steve was fixin to land on the green dot, a white high wing aircraft was fixin to land on him. Disaster was averted when tower instructed the high wing to **pull up!** **Moral of the story: Don't let em hit ya! Fly the airplane and keep your head on a swivel!**
- **Visitors introduced:** Dennis Browning is building a Challenger II. Darrell Peters is interested in aviation. Thomas Wilson is building a Sonex, half done with ninety percent to go. Johnnie Boyle is flying a G-550. Mikell Becker has restarted flying and looking to build. Bill Hayden has a Sonerai II for sale, call 936-539-1949.
- **This Month in Aviation History:** On October 11, 1968, Apollo 7, the first manned Apollo spacecraft, was launched aboard a Saturn 1B rocket from Cape Kennedy, Florida. The spacecraft was aloft about 11 days and made 163 orbits.

- **Treasurer report:** Income - Donations \$145, dues \$81, swindle \$57. Expenses – postage \$99, rent \$150. Funds in the bank \$5,048.
- **Old Bidness:** Nominations Committee – Nominations for officers next year. For President: Don Colchin. For Vice President: Dennis Irvine. For Secretary: Bill Donahoe and Brent Crabe. For Treasurer: Don Guice. For Young Eagles: Chuck LeKron
- **Old Bidness:** Chapter website – everyone go on the site and register your personal information.
- **Old Bidness:** Bob Humes reported on membership invitation post cards. Cost of about \$32 per new member – 8 new members from several hundred cards sent. Could possibly do a better job with email addresses.
- **New Bidness:** Chapter Christmas party is planned in December in lieu of a formal meeting. We are looking for a venue for the party. Greg Smith's hangar and New Galaxy meeting room were suggested.
- **Young Eagles:** Larry Elliot reported that plans to fly young eagles in November and December are canceled. Thanks to Ed O'Quinn for flying two young eagles sent to us from another chapter.
- **Project Reports:** Bill and Lynell Gipson's RV-10 has wings back on but has not flown yet – still looking for an engine miss. Don Colchin is replacing the engine and restoring a Skyote and has had lots of help from our members and especially noted the excellent leather work by Allen Johnson.
