Questionnaire**

### We flew 18 Young Eagles Feb. 10th!

Want to have some fun? Be there when the Young Eagles get back from their flight. The smiles and excitement of those youngsters says it all. They love it and we love sharing the experience with them.

Our next opportunity to share our dream of flight with youngsters is March 17th (24th rain date). We are expecting about 12 children from a Lutheran Church that Dave Chaplin has contacted.

Dave Dauzart has asked us to arrive at our meeting room by 9am, Saturday the 17th to go over preparations and safety rules.

If you would like to be involved in sharing the thrill of flight, (*we do need your help*) contact Dave Dauzart, our Young Eagles Coordinator, at [aviator@samlink.com](mailto:aviator@samlink.com) or (281) 592-5028.

**Young Eagles ~ Share The Dream**

# Young Eagles Take Flight

February 10, 2001

Why Young Eagles? To give youngsters the same dream you are living, *the dream of flight*. Saturday afternoon we were keeping the dream alive, passing it on to 18 youngsters from Montgomery's Scout Pack 907, Wolf Dens 3,6, and 7. They toured the hangars of Butch Carr and Bill Teaff and the facilities of General Aviation. This gave them an introduction to being a "private pilot" and the EAA. Then they got an airplane ride, Polaroid photo, and Young Eagles Certificate. *What an excited bunch of kids!* Thanks to Dave and Terry Dauzart, Ivan Wimp, Doug Prior, Bill Teaff, Dave Chaplin, Butch Carr, and Will Park. (*Sure hope I included everyone that participated.*)

# Spring Fly-In April 21st
