Chapter 302 ~ Conroe, TX

May 10th Meeting:

Getting ready for SWRFI !

We will have a chapter tent and Saturday, 2 reserved tables at the banquet. Contact Don Brewer for your banquet tickets ASAP. There is also a steak cook-out at the airport Friday evening. They are expecting 70 vendors and 600+ planes! They also expect to be the 3rd busiest airport in Texas!

How often does a blimp show up at an EAA Fly-In? Thanks to the Shell Houston Open Golf Tournament, we shared the airport with the Met Life blimp.

Our Spring Fling Fly-In was great fun, had a wide variety of aircraft, ultralight to float plane, tube and cloth to fiber-glass.

"Thank You!" to all who helped make it a success!
