AN EAA NEWSLETTER

PRESIDENTIAL GARF

The November 1 meeting is a very important one. We will be electing new officers for the coming year. Please be ready to make suggestions for changes and nominations.

We are preparing a packet of information to send to E.A.A. headquarters on our accomplishments, membership, and aircraft under construction. We will need a lot of additional information from our members on some projects under construction.

John Hollander's little RV-3 is a really nifty looking bird. Some Fantastic workmanship is very evident everywhere you look on this one.

In an effort to raise revenue for the chapter, we will be selling E.A.A. calendars. Support your organization by purchasing one of these nice calendars at the next meeting.

Some discussion has come up concerning a joint fly-in type affair with another group from Crockett, Texas. We will need to discuss this further and make firm plans.

THINK FLYING THINK SAFETY

See you November 1.
