 Sec./Treas. Stella Anthony 353-2702
 Program Dir. Byrdell Mathews 367-5071
 N/L Editor Lou Boulden 689-5602

Meeting 2nd. Saturday at 10 A.M. in CAP
 Building.

Business meeting same day at 9 A.M.

VOLUME 3 ; ISSUE 8 : October, 1981

FROM THE PRESIDENT:

The regular November meeting will be held on Saturday, the 14th. On the agenda will be, election of Officers, payment of dues, and committee reports on the proposed hanger. If you dont aspire to office, you should attend and protect your interests.

The HOT item is the proposed hanger. If you dont know about it, you have missed the last two meetings. Our chapter is growing --- come out and meet the new members.

Our members have six aircraft under construction, seven under restoration, and fourteen flying. There are two members with delivery dates for the GLASSAIR and one member waiting for a LongEze. See you on the 14th.

Hank

FROM CHAPTER 302:

Since we did not have a newsletter last month, we extend a belated welcome to new members Tom & Joan Nussbaum (formerly of Chapter 555 of El Paso, Texas), and Bill Gardener. These three became members in September.

New members in October are; Frank Clark and Phillip Byrd.

WELCOME WELCOME WELCOME

Two committees were selected at the September meeting. Hanger Steering Committee composed of; Keith Anthony (Chairman), Hank Aldrich, Tom Nussbaum, Mike Conlin, and Lou Boulden.

Hanger Finance Committee, composed of; Cliff Price (Chairman), Jim Goebel, and Hank Aldrich.

Visiting our September meeting was Mr. Jeoffrey Scripture, Montgomery County Airport Manager. He gave the Airport Advisory Board veiws and the County Commisioners Court on our proposed hanger.

Visiting in our October meeting was Mrs. Bill Gardener. We hope you will consider becoming our newest member. Also Percy Giblin, an ultralight rep, visited.

To all our members of Chapter 302. We need your input on our proposed new hanger. What would you like to see? We need your ideas on size, floor plan, type of building, how to build it, etc. So come on members, this is YOUR CHAPTER.

MEMBER OF THE MONTH:

Ivan G. Wimp

(In his own words) In 1969 a motorcycle, a 1950 Vincent Black Shadow, was sold to a party in California for \$1000. This was used to order the basic parts kit with Prebent wing spars and fuselage tail cone. The landing gear legs and welded fuel tank was placed on order.

The kit arrived in June of 1970. Construction started in a machine barn on the Family farm, which I managed. I moved to Plainview in 1976 and the next year was signed off to close all Primary and Secondary structures.

SWAP, TRADE, OR SALE Cont.

For Sale: ELT, portable, with wall bracket. Emergency Beacon Corp. model EBC-302V, voice capability. Need fresh battery to be in as new condition. Make offer, I cant give a price because at this moment I dont know what they are worth. Will swap, too.

Jim Goebel..... Phn. 713-273-2828

Contact: Lou Boulden 713-689-5602

FROM YOUR NEWSLETTER EDITOR:

I have really enjoyed being your N/L editor for this past year. It has not been an easy job, what with constantly begging for articles to insert in YOUR newsletter.

Ivan Wimp challenged you to write an article for the newsletter and then followed his own challenge with his own article. Are you members going to take this challenge laying down?
