

Dear Passionate Aviator,

Chapter 302 of the Experimental Aviation Association offers scholarships to financially assist a young person in their pursuit of enrollment in the EAA Air Academy program. This scholarship covers the cost of camp to include tuition, room and board. The individual is responsible for providing transportation to and from Oshkosh, WI.

2026 dates are: June 19-24 (Horizons camp) and July 14-22 (Explore camp). Note, some of the days of the July camp coincide with the annual Air Venture aviation gathering.

After attending the camp, the camper will be asked to provide a presentation at the next monthly meeting of the chapter to describe the activities that they were involved in while at camp, the experiences they participated in and the knowledge that they gained.

To apply: Submit and email to, eea302@outlook.com that contains the following information:

Personal Information:

- Name
- Address
- Email
- Phone
- Birthday

Attachments:

- Personal statement of why you want to attend the Academy. Explain your involvement in aviation related activities, other interests and why you would be the best candidate for Chapter 302 to assist.
- Letter of recommendation from an adult other than your parent.
- Date you would like to attend

Additional information: (not required)

- EAA student member number
- Statement of previous Chapter 302 involvement
- Young Eagle flight date and location
